Parent Activity:
Parents when you come to Swanavon School look around at our school environment - what do you see when you walk into our school? What signs/posters do you see? Is it welcoming, inviting, safe, caring? As you walk through the school, think about what is on our walls.   Can you tell by looking at what is displayed in our hallways and classrooms what is our collective priorities are?   Can you determine what our collective values are in our school? Do we honour all students in their culture and diversity?
